

10br - The Incredible Vacation Ranch

This vacation home is unlike anything you will find in Las Vegas. If you are looking for a place that's unique, take a look at this. A true one of a kind property, great central location with views of the mountains to the west & the Las Vegas Strip to the East. This property is located on 2 acres of land and has a total of 9000 sq.feet of living space. In the main house we have 8 stunning bedrooms and 5.5 beautiful bathrooms, and in the Casita (located 5 yards from the main house) we have 2 bedrooms and 1 bathroom. Home interior is exceptional, designed with neutral colors with an elegant formal dining room, gourmet kitchen with custom cabinets, granite countertops, sub-zero refrigerator and breakfast bar. Gorgeous master suite with backyard views, walk-in closet, and private bath with a wonderful tub. Large family room with big screen TV. In the game room you will find the pool table, the poker table, and a superb fireplace. The backyard is entertainers delight with mature landscaping that looks like the city park, a tree house, the trampoline, covered patio, sparkling pool and brand new spa. Plenty of space for parking, 4 car garage. Absolutely gorgeous!
